

*Introducing....."A Week of Dining" brought to you by the Gaither High School Instrumental Music Boosters (GHSIMB)*

Dear Parents,

**Question:** What do tubas, damaged instruments, and restaurant gift cards have in common?

**Answer:** A fun and tasty fundraiser for our music students!

Here's how it works:

1. You, friends and family members make a \$20 donation toward purchasing a new tuba and repairing worn or damaged instruments.
2. Each donor gets one end of a ticket, which serves a donation receipt for tax purposes.
3. Boosters keep the other half of the ticket with your name and phone number.
4. Tickets are entered into a drawing.
5. One lucky winner receives 7 or more gift cards to 7 or more nice area restaurants. Estimated value: **\$350!!** Use one a day for a week! Or spread them out and use them on special occasions. Whoever wins can decide!

Tickets are now available. You can sell them to your friends, neighbors, family members, co-workers. Each donation of \$20 equals one chance at "**A Week of Dining**". Do they think \$20 is too much? Tell them to go in with someone else to buy a ticket and divide up the cards if they win! Do they think this is a raffle? Explain that it is a donation drive with a specific purpose - and a prize for one lucky donor.

This fundraiser is a win-win for everyone. Area restaurants have been very generous in donating very nice gift cards. We can have some fun and raise the money needed for our students' wonderful music program. Our goal is to raise \$5000, so that means 250 donors.

The big drawing will be on April 6th. Parents and students can pick up tickets beginning March 9th in the bandroom. Students will need to return the money and ticket stubs with donor names and contact information by April 5th. We want to hold the drawing before Spring Break so our lucky winner can enjoy the free meals during the break!

Remember - Make a donation of only \$20 for a tuba and instrument repair, and your ticket goes into a drawing for 7 or more family meals out at 7 or more area restaurants - **A Week of Dining** with an estimated value of **\$350!** Checks should be made out to GHSIMB.
