VP Report:

Marta:

Only approximately 2000 hours have been logged. Please log volunteer hours. We will resend the link with next week's weekly message. We are asking that the hours be logged by Mid Feb so they can be reviewed for accuracy because they are due to be turned into the school by March. Please make sure you log your projected hours you will be volunteering till the end of the school year. This does include the booster meetings, concession, collecting donations for the golf tournament, band trip, etc.....

Lara:

Fingerprint information was passed out. If you are going to chaperone the overnight trip you must have your fingerprints on file. The sooner the better, it can take 2-3 weeks for processing we are asking is beginning of April at the latest. If they are not back prior to the trip you cannot chaperone.

Fundraiser.

Can a spot be added to the Ushering or Concessions for the student name? Marta will look into this request.

There are 2 events left for ushering. Both monster jams 1/21 and 2/4. If everyone can work and donate their proceeds to the band it will be put towards instruments. If not and they want to go into the students account it's perfectly understandable and will not be held against anyone. Rosters are due tomorrow (1/12)

The concession has 3 events left 1/21, 2/4 and the Kenny Chesney/Tim Mcgraw concert on 6/2/12. You must retake the alcohol training for the year 2012. At this time the Monster Jam on 1/21 is going to be cancelled due to no volunteers.

There is no date for the Golf Tournament at this time but we are trying for the end of March beginning of April. Please start getting donation for the raffles and door prizes. Steve Mallardi has the flyers and will add contact information.

Wind Ensemble will have a guest director tomorrow at rehearsal from UCF. Rehearsal is from 12:15 to 2:15pm.

This is a very business time for the band but not as one big group but individual and smaller groups. We have concert's, All county, MPA's, etc..... 19 Students made the All County Honor Band.

Percussion will be performing on 1/28 at 9am @ USF.

There is a pre MPA concert on 1/31.
