Gaither High School Band

IS YOUR COMPANY READY FOR THE LIMELIGHT?

If there were a way to increase your image as a civic minded company, for very little cost, you'd want to know about it wouldn't you?

Performing before thousands of people each year as well as on national, state wide, and local television offers our students receive a tremendous amount of exposure. The reputation of the Gaither High School Marching Band is as one of the top bands in the State of Florida as well as the southeastern United States, which reflects favorably on them as individuals, on the Gaither High School, and on our local community.

Known as "The Band with Class", the Gaither High School Marching band is offering to selected civic minded companies and organizations the opportunity to partner with, and share in this exposure. We are offering a limited number of sponsorships to those companies whose image is the mirror reflection of the high standards set by these students and the music program, and that can benefit from the exposure offered by The Gaither High School Marching Band.
