EQUIPMENT INFORMATION

SCHOOL/OWN/RENT	Item	Make / Model	Serial # / School #	Condition	Notes

I, _____, understand that the aforementioned equipment and accessories are property of Taylor County High School, I own them, or rent them from a store. If I am borrowing the equipment and/or accessories, they are in acceptable playing condition, and I am responsible for its maintenance and general upkeep. There is an **annual fee of \$30** to rent school equipment. The **repair or replacement** cost of any lost, damaged, or missing inventory shall be the **sole responsibility of the student** to which it was originally issued. All equipment is to be returned to the Director upon request. This includes: instruments, harnesses, sticks, mallets, instrument parts, uniforms, uniform parts, flags, poles, etc. *Guard fee is included in the \$50 Auxiliary Fee.*

Students are responsible for the care and maintenance of their school-owned equipment. The student is expected to take care of that equipment and not allow others to handle or play it. If damage occurs while another student is playing with the equipment, the student who has been issued the equipment is still considered the responsible party. Take no chances – do NOT allow other people to use equipment that has been issued to you! In the event that equipment has been damaged, the person who was issued the horn will be expected to pay the repair cost to return the equipment to the issued condition unless another party acted upon your equipment. Any discrepancies will be handled on a case-by-case basis.

If a student's equipment needs repair, please bring a note from home giving permission to send it to the music store so we can send it for you. Music stores will usually fix it faster if we send it than if you take it yourself and we may be able to even fix it ourselves for free. If it does need to go to the repair shop, make sure to tell us if you have a rental contract. Musicmasters will then contact you to discuss the equipment repair cost and the transaction will take place between Musicmasters and you. If you take it to the repair shop, send a note from home with your student so we know. If we are not informed, a student's ensemble rehearsal grade will be penalized for not having their materials in class. **DISCLAIMER:** MusicMasters will be given this information.
